## YES, I AM MARRIED; BUT CAN I ALSO BE SINGLE? (PAPERBACK)

America Star Books, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Candid suffered from many illnesses, mainly schizophrenia, before she finally discovered that she could find true healing for her mind, body and soul through the word of God. Candid once blamed her illness for her many struggles of adultery, clubbing, lying and single living while she was married. Candid believed that one of her split personalities that she shamelessly named Yolanda was the reason for her bad habits and bad decision making. Yolanda had taken over Candidas body and possessed it and used it. Candid did as much as she pleased until she cried out for help and God answered. God cleaned her up until she was unrecognizable to her former self. Candidas marriage was on the edge of destruction and God restored it, then he gave her double for her trouble and healed her mind also. Candid spent single time with God while she was married and now she walks in the eyes and images of her Savior Jesus Christ. This book is a must-read because it tells you how you can be married and single at the same time with God. This book takes you from the pit to the palace, from perversion to cleanliness, and it gives real demonstrations on how to spend single time with God while in a marriage. It also shows you how this woman became complete and whole through the word of God.
