Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Language: English Brand New Book ***** Print on Demand *****.For Bible-believing Christians the Scriptures are the most valuable and the most essential material objects they may possess. They are so because while being material, that is, they are found printed on paper, or recorded onto magnetic tape or compact disc, they are but an expression of something quite immaterial, namely the Word of God to humanity. For Bible-believing Christians, the Scriptures are the only objects that they may see, handle, listen to, and come to know through study and devotional use, the ultimate origins of which, are not merely beyond this world, but are beyond our space-time-matter universe. Amongst all that we see around us, they alone have a supernatural provenance, because God alone is truly supernatural. All else that may be named or conceived, is a part of the created order; a part of nature, rather than something that is above nature. Instead of coming to us from within the natural realm, the Scriptures come to us from outside the compass of the natural realm, which they will outlast, as they will endure even when the current created order has run its course (Isaiah 40:8; Matthew 24:35; I Peter 1:23.). Thus the Scriptures have a quality about them that is peculiarly distinctive, and which exists outside the Scriptures, within the Godhead alone. The only other objects which humanity has possessed, of which we are aware, and which might be compared with the Scriptures, are the Ark of the Covenant, and the Tabernacle, with its altars, fixtures and fittings, along with the associated Priesthood and ceremonial, for these were all produced from patterns revealed to Moses directly from the Lord (Exodus 25:9), and so they too...
