The Committee appointed by your minute of 22nd February 1912, to report at an early date upon the considerations of general policy in respect of the problem of tuberculosis in the United Kingdom, in its preventive, curative, and other aspects, which should guide the Government and local bodies in making or aiding provision for the treatment of tuberculosis in sanatoria or other institutions or otherwise, desire to submit the following observations and recommendations as an Interim Report. The object of the Committee has been to take into consideration the existing machinery and funds available, and to indicate the lines upon which, in their view, a national and comprehensive scheme for combating tuberculosis in all its forms may be established and developed. 2. The production of such a scheme needs much inquiry and deliberation, and the Committee desire that this report should not be taken as the final expression of their views upon the problem in all its details. This is an Interim Report, rendered necessary by...
