FIGHTING FOR HER LIFE: WHAT TO DO WHEN SOMEONE YOU KNOW IS BEING ABUSED (PAPERBACK)

Pen-L Publishing, United States, 2015. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book ***** Print on Demand *****. Why would a woman stay with an abusive man? You could as easily ask, Why does a soldier run in panic as the enemy charges? The response is that human beings don't always live up to the ideal of the simple question or easy answer. Most of us see ourselves as the hero in any given story, which makes it more difficult to watch a friend or loved one making decisions based in fear and secrecy. The truth is that leaving an abusive partner is hard and dangerous, and tough words from well-meaning family, colleagues, or friends, such as I'd never let a man put his hands on me, are little more than bluster if not supported by action and deed. Brave words merely spoken mean next to nothing; courage actually lived is the stuff of legend. In this book you will read of failures and why, of successes and why. The theme of this book is hope . . . and taking those first terrifying steps to live life safely. This is where you come in because taking decisive action to escape enforced bondage has always been best accomplished with help. Getting involved means placing less emphasis on Why would she stay with someone who abuses her? and more energy into the question What are WE going to do to make sure this never happens again? The answer involves courage, commitment . . . and you. If you've ever uttered phrases, such as I'd do anything to help or that man better never lay a hand on you, I'm offering a challenge to turn your words into courageous action that...
