

Jim s Weight Training Bodybuilding Workout Plan: Build Muscle and Strength, Burn Fat Tone Up with a Full Year of Progressive Weight Training Workouts (Paperback)

By James Atkinson

J B a Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. If I were to go back and start my weight lifting journey from the beginning, this is the plan that I would follow Hi, my name is James Atkinson (Jim to my friends and readers). I am a qualified fitness coach, ex- airborne forces (British army) and I have a very diverse past in health and fitness. From personal training, long distance running to competition bodybuilding, it is fair to say that I have changed the shape and condition of my body more than most. Since my early teens I have been involved in weight lifting and resistance training of some description. I am now into my thirties. Starting off in a powerlifting environment, the doors to a new world of resistance training were thrown wide open in front of me. The possibilities of what could be achieved with the correct weight training and diet inspired me to start work on building my own body into something that I could be proud of. However, it would take me around eight to ten years...
