His influence extended through so large a sphere that it is difficult for us fully to comprehend it now. The more we examine the tokens of its action, the more do we become impressed with its extraordinary range. I know of no department of physical or natural science which has not been stimulated or fostered through his means. The legislative and executive departments of the nation knew his power through many years, and relied upon it in matters far beyond the range of his ordinary pursuits. Both the army and navy felt, and have often acknowledged their obligations to him. The progress of education, the development of scientific research, the extent of scientific discovery, the growth of the arts, and the spread of commerce, have all been greater in America because he has lived. Such a man was our beloved and honored Bag he. To hesitate, when summoned to put into words our common tribute, were unworthy of his friend or of his pupil. You will all feel the inadequacy of the offering, and the futility of attempting to compress into the utterance of an hour or two such records and such results. Many of you have already brought him a better tribute, - that of years of fruitful labor, prompted and encouraged by himself, or of a change in the aims and pursuits of a lifetime, induced by his wise and kindly counsel. Alexander Dallas Bag he was born in Philadelphia on the...
