Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

Gigamesh Fantasía y Ciencia Ficción S.L., 2005. soft. Book Condition: New. Entre las aspiraciones de un joven leñador de las montañas de Drenai no se contaba emprender la vida del guerrero ni vivir entregado a la violencia. Pero cuando una banda de saqueadores destruye su poblado y rapta a su mujer, una antigua maldición familiar resurge. . . y nace una leyenda, pues Druss empuña por vez primera a Snaga, el hacha funesta que perteneciera a Bardan el Asesino. Las primeras crónicas es la primera de las novelas del ciclo de Drenai dedicadas a Druss, uno de los personajes más memorables que han surgido de la pluma de David Gemmell, y una de las razones por las que se lo considera el cultivador más destacado de la fantasía heroica en Inglaterra.
