Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Freedom After the Sharks, Geoff Hudson-Searle, Each of us is, to some extent or other, a reflection of the experiences of our lives. However, whether and how we succeed is determined at least in part by how we cope with those experiences and what we learn from them. This is the story of a man who, despite a difficult family life and professional setbacks, developed the determination, drive and skills to create a successful business and happy life. Geoff's skills and self-motivation gave him the drive, determination and tenacity to continue a journey through hardship to reach self-fulfillment and, ultimately, success. His book describes the life journey of a young man's heart and his desire to turn his dreams and vision into a business success. Freedom After The Sharks shows how, even in a declining economy, a business can survive and even succeed. It covers some real-life experiences and offers some suggestions for dealing with problems and issues. It provides a guide to finding your way in the business world. The book is suitable for entrepreneurs who might not be sure of the path to take or who want to benefit from other people's mistakes and failures. Other audiences include middle management or junior executives who are looking for a fascinating life story of courage, drive and inspiration, as well as graduates and college students, who will find information that will help prepare them for their careers.
