*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Gill & Macmillan Ltd. Hardback. Book Condition: new. BRAND NEW, Hans Christian Andersen Fairy Tales, Hans Christian Andersen, Harry Clarke, In 1916 George Harrap published an edition of The Fairy Tales of Hans Christian Andersen which included specially commissioned illustrations from a new young Irish illustrator, Harry Clarke. Although previously commissioned to provide illustrations for two other publishing projects, this was the first time Clarke's work had appeared in print. His talent was quickly acknowledged and he became recognised as one of the key illustrators during the golden age of gift-book illustration. In all, he created 16 full-colour and 24 monochrome illustrations for this edition. Although many of these have been acquired by the National Gallery of Ireland, they will not be familiar to many modern readers. For this new collection, twenty of Andersen's best loved tales have been re-written and with Clarke's fabulous illustrations will create a wonderful gift book for children young and old.
