

Contemporary Geriatric Medicine: Volume 1 (Paperback)

By -

Springer, United States, 2012. Paperback. Book Condition: New. Softcover Reprint of the Original ed.. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This volume marks the first of a new series, Contemporary Geriatric Medicine, joining the ever growing Contemporary family. As with the other Contemporary volumes, our goal is to assist the reader in maintaining currency in a rapidly changing field. Perhaps no field has shown such major advances in such a short time as geriatrics. Over the last several years, the demographic imperative has become a source of concern for many, including clinicians, scientists, economists, and health planners. Our geriatric knowledge base continues to grow, often making it difficult to keep abreast of advances and current therapeutic modalities. Contemporary Geriatric Medicine presents the state-of-the-art thinking regarding a variety of topics all of major concern to the health practitioner caring for the elderly person. The authors, for the most part serving as members of a stable editorial board, have chosen topics that should have immediate interest to the readership. By having a stable editorial board, continuity is ensured in successive volumes. Every two years, a subsequent issue will either address...

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.

-- **Tobin Lesch**
