Villard, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A delightful triangulation of adventure travel, telecommuting and self-reinvention.[Morris] can be hilarious.[Her] self-deprecating wit, sense of pacing and brainy insights into the nature of fear and self-reliance hold the book together.When Morris becomes her own subject, the result is always vibrant honesty.[she] is not afraid to show her everyday self on the page, which is invigorating in a genre that too often has only two speeds: turbo self-aggrandizement and ambling naturalist introspection. The female perspective is also refreshing: how many men could survive not one but two international waxing appointmentsBrazilian and Persian?" The New York Times Book Review "Writing with compassion, humor, and activism, Morris empowers women to follow their dreams by showing that determined women can indeed effect change in their lives. Highly recommended." Library Journal "Morris shows an admirable fearlessness. genuinely interesting subject matter." Kirkus Reviews "This is not just about travel, although it's as adventurous as can be.Morris' interviews.are thoughtful and probing.[and] her text adds contextand humorto the project, warts and all." Booklist "Smart, sexy, inspiring! Holly Morris is the ultimate adventure diva. Whether she's deconstructing Cuban politics, finding meaning in a Brazilian bikini wax, or succumbing to the pleasures of a Tehran security pat down, Holly lives and writes like a brainy bad girl. I loved reading Adventure Divas is like riding shotgun on a high-octane global road trip." Cameron Tuttle , author of The Bad Girl's Guide to the Open Road "Let us celebrate Holly Morris and all of the other amazing, hilarious, tough, and tender Adventure Divas in this book. There is no substitute for the old-fashioned adventurer with frequent flier miles, dirt on her boots, and new ideas." Sherman Alexie , author of The Lone Ranger and...
