Cengage Learning, Inc. Paperback. Book Condition: new. BRAND NEW, Illustrated Guide to the National Electrical Code (6th Revised edition), Charles Miller, This uniquely effective guide helps readers master the 2014 National Electrical Code[registered], using highly detailed, technically accurate illustrations to make even the most complex aspects of the Code easier to understand and apply. An experienced author, educator, and master electrician, Charles Miller translates the often vague, complicated language of the 2014 NEC into clear, simple instructions and visuals. Topics are organized logically and presented in a convenient, modular format for easy reference, beginning with fundamental concepts and progressing to requirements for various dwellings, from one-family homes to multi-family housing, commercial locations, and special occupancies. The Sixth Edition of this trusted resource provides thorough coverage of changes to the 2014 Code, as well as numerous new and updated illustrations, and additional material on renewable energy sources such as solar and wind power. Comprehensive coverage, an innovative learning approach perfect for today's visual learners, and accurate, up-to-date information make this valuable resource indispensable for beginning and experienced electricians, engineers, and other electrical professionals.
