If so, take heart; you can do something about it. *Steps to Local Government Reform* is your step-by-step guide to undertaking reform on the local level. Public manager Allyn O. Lockner combines years of experience in the public sector to show how you, as a resident or an elected local official, can work with others to successfully implement change within your community. Lockner explains how to make numerous choices regarding the preparation for, and the study, planning, marketing, approval, implementation, and evaluation of reforms. He also shows you how to share these reform results with others. Using various criteria, comparisons, practices, analyses, and other studies aimed at local government performance, Lockner delves into the sometimes tricky world of enacting reform.
