AGEING IN INDIA: SOCIO-ECONOMIC AND HEALTH DIMENSIONS

Academic Foundation. Hardback. Book Condition: new. BRAND NEW, Ageing in India: Socio-economic and Health Dimensions, Moneer Alam, While this study essentially draws upon Indian conditions and data for analysing ageing and a few of its more critical dimensions involving socio-economic, health and public policy aspects, it may well be argued that each of these dimensions remains equally, if not more, important for many of the developing countries with transitioning demography (declining fertility and life prolongation) and liberalising economy (growing privatisation...
