INDIA: ECONOMIC REFORMS AND LABOUR POLICY

New Century Publications, New Delhi, 2004. Hardcover. Book Condition: New. First. 14 cms. 272pp. Labour reforms in India, in the context of economic liberalization and globalisation, are much desired, but also feared and misinterpreted. The issue has been a touchy one ever since the liberalisation era began in the early 1990s. This book examines the whole gamut of labour issues in the context of economic liberalisation underway in India. The approach to the subject is mainly descriptive, interspersed by suggestions at places.
