AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.Why do we become ill, depressed or stressed and how can we heal illnesses which the doctors seem unable to cure? Many are searching for something, not knowing what because our lives feel empty and meaningless, resulting in many using drugs or alcohol as a temporary relief from this feeling, a means of escape. This book helps us to read the sign posts that should not be switched off by pain killers, anti depressants, or drugs but which can be used to guide us to the root cause of physical, mental or emotional illnesses, to listen to our bodies, to understand the underlying cause of their problems and provides the solutions to really turn our lives around. It uses psychology, meditation, visualisation and prayer, enabling the harnessing of healing powers to remove the blockages preventing complete abundance in every area of our lives. This book provides the tools to find self love, personal growth, happiness, success, physical health and emotional healing and can be used to remove negative karma, whether in this life or previous lives, entrenched habits, negative characteristics or anxieties. It shows how to use ancient symbols such as those in Egypt, sacred geometry, the sacred names of the Angels and God and the teachings of the great Atlantean Thoth. It enables enlightenment and the reaching of heaven on earth by using the gifted Ancient Knowledge, regardless of denomination, faith, belief, colour or creed. Documented case studies show the reduction of symptoms in Multiple Sclerosis and Chronic Fatigue Syndrome and how these techniques reduced these symptoms. The act of reading this book enables healing to start. True peace and happiness can be found in the pages...
