The focus is on learning shapes, card symbols, counting to 13, following directions, recognizing colors and introducing basic bridge concepts. The prime directive is to encourage small kids to use their imagination, to color inside and outside the lines, and to play face to face with friends. The learning bonus is the introduction to the world of playing cards. As Pablo Picasso himself said, Every child is an artist. All they need is a little encouragement. Simply put, there is something very moving about children coloring in a book. It is so simple, and so much FUN!.
