The premise is that ESL learners must use a word several times in context to be able to remember it. Reading, writing, listening, speaking, grammar and communicative activities are built around the vocabulary. The book has a series of flash cards. These images may be used in various lessons, to introduce and reinforce the vocabulary and language structures. This book is perfect for learners seeking to work in the medical industry and for those who wish to communicate effectively at a doctor s or clinical appointment. Materials are based on Canadian Language Benchmarks (CLB) 1 to 3.
