NEW NONLINEAR OPTICAL MATERIALS: THEORETICAL RESEARCH

Nova Science Publishers Inc. Hardback. Book Condition: new. BRAND NEW, New Nonlinear Optical Materials: Theoretical Research, Ji-Ping Huang, K. W. Yu, Optical materials with large values of non-linear susceptibilities and fast responses are in great demand in industrial applications, such as non-linear optical switching devices for use in photonics and real-time coherent optical signal processors, optical limiters, and so on. In general, many applications of non-linear optics that have been demonstrated under controlled laboratory conditions could become practical for technological...
