Salem (Paperback)

By Cindy Lee Corriveau

Arcadia Publishing (SC), United States, 2006. Paperback. Book Condition: New. 231 x 160 mm. Language: English . Brand New Book. The name Salem originates from the Hebrew word shalom, meaning peace. Salem life was traditionally rooted in agriculture, yet residents also respected Yankee ingenuity. This was reflected in the characters who lived in the town or migrated to its lush countryside. Prior to the Civil War, Salem had seven sawmills, two gristmills, six schools, four churches, a piano factory, an ink factory, and a cotton mill. Rosewood and mahogany pianos were made entirely by hand by the Whittlesey brothers, and Music Vale Seminary was the first music school in the country to confer teaching degrees. Salem also boasts writers, artists, an eccentric inventor who lit up part of Salem with his own rural electrification, a U.S. senator, an explorer who discovered Machu Picchu, and an honored Holocaust war hero. Though quiet and unobtrusive, Salem is blossoming with new citizenry, and it is still uncovering history with recent archaeological excavations. Mystery and untold history come together in Salem.

Reviews

Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Olga Ledner MD**

Complete guide for publication enthusiasts. I have read and i am sure that i will going to study again once again in the future. Your way of life period will be transform once you total looking over this publication.
