By Col Frank Foster

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Jackie Robinson was one of the greatest baseball players of all time--MLB Rookie of the Year, World Series Champion, six-time all-star, MVP, and a lifetime batting average of .311. But he is most remembered for breaking racial barriers by becoming the first African American to play in the major leagues since the 1880s. This book traces Robinson's life, both on the field and his personal life--from his childhood and career in the military to his days in the Negro leagues and with the Brooklyn Dodgers; it also covers briefly his life after baseball. Reviews

Excellent electronic book and valuable one. Better than never, though I am quite late in starting to read this one. I can very easily get a delight from studying a written book.
