He could walk by a cornfield and actually hear the corn singing, and once, he even heard wildflower seeds bursting open, beginning to grow underground. The girl asked the man to teach her to listen, but he said she had to learn how from the hills, ants, lizards, and weeds. For a long time, she tried without success, and she almost gave up. But then, one day, she began a joyous song to the hills and, without even trying, she discovered the secret of the other way to listen.
