Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. After war veteran Kennedy O'Brien returned home from Afghanistan and caught her husband in bed with the nanny, she lost her faith in all things male. So she started Fool Me Once Investigations to stick it to the man because there's no better bounty hunter than a woman scorned. Her latest job is a wild dog-chase to slap cuffs on a bail jumper turned Chihuahua thief, but thanks to her meddling family, Kennedy will have to put up with a partner. And it's about the last man she'd ever pick: her cheating ex-husband's best friend, Griffin Crawford. As gorgeous as he is unwelcome, Griffin is a pesky (if scorching hot) reminder that Kennedy will need help to catch her man and to open up her heart again.
