This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

DOWNLOAD

Times Group Books, New Delhi, India, 2010. Softcover. Book Condition: New. First Edition. This book is a collection of Taslima Nasreen's essays which revolt against the status of women in this man-made world. Taslima says that there is no place which belongs to women and hence they have to fight for every inch of ground to get their rightful place. Her fans laud her acuity of observation, sharpness of presentation and boldness of articulation. They are running fan clubs and blogs in her name even when she is unaware of those. Her critics dislike anything that is Taslima. Some have even called her a misandrist. She denies, but asks, Who is Guilty? Men or Patriarchy? You cannot say that men are good but patriarchy is bad. Behind the powdered faces of the elite society lies the stark reality where law is violated with impunity and where a woman is not regarded as a human being. She is a thing to be exploited, molested and raped', she argues in one of her essays. She lambasts those who call themselves secular and pander to the fundamentalists. She exhorts them to rise above narrow interests and to think of the larger goal of the progress of society. In this context, she strongly argues for a uniform civil code in India. Taslima talks openly about her love life. She has lessons for those who think love to be a macho act. She defends homosexuals and challenges the way the patriarchal society looks at this aspect of non-sanctioned form of love. Printed Pages: 301.
